Please describe your group/organization

(Target group: age of group members, number in group, gender etc.; activities, ...):

Our informal group is consisted of young people, both boys and girls, between 15 - 22 years who are interested in protecting nature, game keeping, forestry and hunting. We work on creating better conditions for game – planting trees, making cratches and filling them. We meet regularly after lessons in clubroom at the Secondary Professional School in Šumperk (Czech Republic) that we have attended. We plan trips to the nature, cooperate with local foresters and also learn from them. Our group has prepared various educational projects dedicated to children, public and handicapped people.

Estimated number of participants of youth exchange is between 10 - 15.

WHAT DO YOU WANT TO DO?

Please describe your project idea

(Project theme, when, where, with one or more countries as partners...):

Our group is looking for one foreign partner who has similar interests and would like to exchange experience, learn something new from ecological and environmental field and also enjoy a great time with us and visit the Czech Republic.

We would like to organize youth exchanges from September 2010 till the following year.
