Tipo de actividad que desarrolla el grupo (Background information of the group):					
<p>We are a group of young girls between 16-17 years old and we are interesting in doing an exchange next summer 2011 (july). We live in a rural area, Comarca del Matarraña, Teruel, Aragón, Spain, and we study in the same high school. We participated in several volunteer projects and activities in a youth department.</p> <p>La Comarca of Matarraña has 18 villages with 9.000 people aprox. The young department in this area organizes activities for young people, between 14-35 years old, environment activities, educational and prevention activities, freetime and leisure activities.</p> <p>We would do this project to learn new cultures, participate in Europe's project and live new experiences with young people from another country. We want to be the sending group, and there is a possibility to be the hosting group next year.</p>					
Tema propuesto (Proposed subject)					
<p>We collaborate in environment theme and we practise outdoor sports, but also we are interested in. We are very creative and we participate in activities which are organized by societies our communities.</p> <p>We are very keen on meeting new people and do activities with them.</p> <p>From this experience we would like to achieve some knowledge that will be useful in our future careers.</p> <p>Language exchange: English and Spanish.</p> <p>Initiative project in the deadline of 1st november.</p>
